Dear Mr. Wunderlich,

Attached please find Title and Abstract of the proposed technical lecture for the European Forum for Reciprocating Compressors (17 - 18 May, 2001). The names of the authors are: Anatoly M. Boiko (GAZPROM), Bogdan M. Smereka and Alexander A. Titov (ARIEL CORPORATION).

The Title of the lecture:

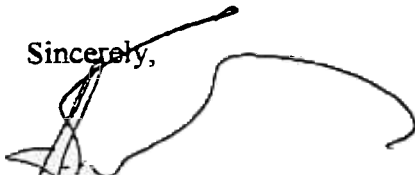

«Reciprocating Compressors with Gas Turbine Drivers in Gas Industry of the Russian Federation».

Abstract:

- ◆ Historical overview of GAZPROM reciprocating compressor fleet.
- ◆ Reciprocating compressor with gas turbine driver package – features and applications.
- ◆ Reciprocating compressors and gas turbine manufacturing in Russian Federation.
- ◆ GAZPROM strategic plans for Mobile Compressor Units, Underground Gas Storage Facilities and Field Booster Stations with reciprocating compressors and gas turbine drivers.
- ◆ Case study – AVIADVIGATEL/ARIEL

Looking forward to hearing from you.

Sincerely,

Alexander Titov
Regional Manager
