By filing the application, the applying party agrees to

- accept the R&D Charter, which is the basic framework of the collaboration within the EFRC R&D Working Group (available at www.recip.org)
- participating at the R&D Working Group meetings by sending qualified representatives

Additional possible ways to support the goals of the EFRC R&D Group are (please check mark):

- Introducing new project ideas, pre-proposals, proposals, etc.
- Sharing knowledge and physical support like manufacturing and testing capabilities
- Declaring readiness of our representatives to be available as candidates for organisational positions (Chairperson, Advisory Committee Member, Focus Group Leader, etc.)

The annual membership fee is fixed by the Charter of the R&D Working Group (available at www.recip.org). There's no admission fee. Collection of late payments will be carried out by a collection agency. After the 2nd ineffective reminder the EFRC has the right to charge a penalty fee of €500. Costs have to be borne by debtor.

Accession to the EFRC R&D Working Group needs an active membership at the European Forum of Reciprocating Compressors e.V. (EFRC) and will be confirmed by the R&D Chairman.
