1. Purpose and Data Collection Authority

The data collected in this form will be used and processed for the registration for an in-person/virtual course/event held by the European Forum for Reciprocating Compressors e.V.

2. Data Processing

The data will be electronically processed by the staff of the EFRC, particular in order to contact the participants of the course/event, to be able to issue a certificate of attendance and/or an invoice to them. Furthermore your data will be used to inform you on similar future events, organised by EFRC. If the course/event is held virtually, I consent to the data processing of the videotelephony software being used. Your personal data will not be used for other purposes and will not be shared with external parties.

3. Transfer of rights of use of pictures and videos

Please note that representatives of the European Forum for Reciprocating Compressors e.V. will take pictures and/or videos during trainings/workshops/Conference and other events. The material will be used for internal distribution to the participants as well as for future advertisement. For the publication of the photos for reporting and advertisement of the EFRC Conference, the right of use to the own picture is transferred revocably to the European Forum for Reciprocating Compressors e.V, c/o Technische Universität Dresden, 01062 Dresden, Germany. For the use of the pictures no content-related, temporal, spatial or medial limitation is agreed. The scope of use is therefore not defined and includes both known and unknown future use and types of use. In the case of a publication the depicted and/or named person can invoke no claims, not even against third parties. The photographed has no right to information about the extent of the usages. The naming of the photographed person is up to the publishing party. Royalties for the use are not provided. There are no other verbal agreements. Contract amendments must be in writing. To make use of your right not to be photographed or filmed, or the right not to have a photograph or video published, and/or your name used, please notify the organisers of the EFRC in writing under the following e-mail address contact@recip.org or on-site during the registration or if applicable inform a photographer directly that you do not wish to be photographed or filmed.

By attending the training/workshop/conference or any other event of EFRC e.V. without notification as described above or without notification to the

photographer on site, you agree that photos/videos of you are recorded and published in the media as mentioned above.

4. Voluntariness and Revocation

The registration, the associated disclosure of personal data and the transfer of rights are voluntary. This consent can be denied or revoked. In this case, the data/pictures with your person will be deleted and a contact as well as the issue of a participation certificate is not or no longer possible. The revocation takes effect as soon as the declaration of revocation is received in writing either by post to the above mentioned address of the EFRC or to the eMail address: contact@recip.org. The revocation of these rights does not affect already published material.

5. Data Transmission

A transmission of the data to third parties does not take place, unless it is prescribed by law.

6. Storage Period

The storage period of your data is limited to 10 years.

7. Publication

Personal data except of pictures and videos will not be published.

8. Information Right

I am aware that I can request information at any time about the data processed about me and the possible recipients of this data to whom it has been transmitted, and that I am entitled to a reply within one month of receipt of the request for information.

9. Data Protection – Contact

I am aware that I can contact the [EFRC office in Dresden](#) for data protection questions at any time.
